RESOLUTION # 21-03-11

Support for Trans Gender-Affirming Care in HIS, Tribal, and Urban Indian Health Facilities – 2021 Strategic Vision and Action Plan

WHEREAS, the Northwest Portland Area Indian Health Board (hereinafter “NPAIHB” or the “Board”) was established in 1972 to assist Tribal governments to improve the health status and quality of life of Indian people; and

WHEREAS, the Northwest Portland Area Indian Health Board is a “tribal organization” as defined by the Indian Self-Determination and Education Assistance Act (P.L. 93-638 seq. et al) that represents forty-three federally recognized tribes in the states of Idaho, Oregon, and Washington; and

WHEREAS, in accordance with the definitions of the Indian Self-Determination and Education Assistance Act at 25 USCS § 450b, a tribal organization is recognized as a governing body of any Indian tribe and includes any legally established organization of Indians which is controlled, sanctioned, or chartered by such governing body or which is democratically elected by the adult members of the Indian community to be served by such organization and which includes the maximum participation of Indians in all phases of its activities; and

WHEREAS, the Northwest Portland Area Indian Health Board is dedicated to assisting and promoting the health needs and concerns of Indian people; and

WHEREAS, the primary goal of the NPAIHB is to improve the health and quality of life of its member Tribes; and

WHEREAS, NPAIHB supports the health and wellbeing of all Native people, including those who are Two Spirit, lesbian, gay, bisexual, transgender, queer or another identity (LGBTQ+), and

WHEREAS, prior to contact with settlers, many tribal nations across the country and continent had long histories of respect and inclusion of those in their communities who might today identify as Two Spirit or LGBTQ+; and

WHEREAS, Two Spirit and LGBTQ+ individuals disproportionately experience refusal of care, discrimination, and insufficient provider knowledge in healthcare settings; and

WHEREAS, Two Spirit and LGBTQ+ individuals who fear discrimination or harassment in healthcare settings are more likely to postpone necessary treatment and report lack of access to care; and

WHEREAS, Two Spirit and LGBTQ+ individuals are important members of their communities who deserve access to appropriate health care in affirming environments; and

WHEREAS, Two Spirit and LGBTQ+ individuals experience health disparities including increased risk of anxiety, depression, HIV, exposure to violence, and suicidality; and

WHEREAS, access to gender-affirming healthcare is critical and lifesaving for transgender individuals; and

WHEREAS, healthcare settings are uniquely positioned to affirm Two Spirit and LGBTQ+ identities; and

WHEREAS, Two Spirit and LGBTQ+ individuals thrive in settings which demonstrate respect and inclusion of their identities.

NOW THEREFORE BE IT RESOLVED, that Northwest Portland Area Indian Health Board supports the Trans and Gender-Affirming care in IHS, Tribal, and Urban Indian Health facilities – 2021 Strategic Vision and Action Plan.

BE IT FURTHER RESOLVED, that Northwest Portland Area Indian Health Board supports advocacy for the continued dissemination of, and implementation of the goals within, the Strategic Vision and Action Plan within the Northwest and throughout Indian Country over the next five years to ensure that our healthcare facilities and communities affirm all sexual orientations and gender identities.
